We are nearing the end of day here and have not heard from you or Escrow agent. Was hoping to have the 1st batch of machines released today.

It seems we are not on target as you had said yesterday.

Please call to discuss. We are now at the point where both payments - (for the 1st 500 machines and 2nd 600 machines) are in default. We can not let this go on indefinitely.

Where do we stand?

Please call shortly.

I will be heading out within the hour.
